

**Census of Individuals and Families who were  
Not Landowners in Chortitza Mennonite Settlement  
Compiled on 25 April 1801**

**Odessa Archives Fund 6, Inventory 1, File 92**

**Extracted by Tim Janzen**

This is a list compiled on 25 April 1801 of single Mennonites and some families who were not landowners as well as those Mennonites who were living outside the Chortitza Colony. The original document was written in German and may be found on frames 1 to 7 of File #92 of the microfilm of selected files from Odessa Archives, Fund 6, Inventory 1.

A total of 124 people are listed from following villages: Chortitza, Schoenhorst, Neuendorf, Neuenburg, Kronsweide, Einlage, Insel Chortitza, and Rosenthal. The names of the people and the relationships of family members to each other are given, but their ages are not given with the exception of Isaac Kasdorf and his wife. The names of four men who were living outside of the Chortitza Colony are also given.

Exact identification of some the people in this list is difficult due to the fact that their ages aren't given, but a comparison of this list to the 1801 Chortitza Colony census data reveals that 46 of the people found in this list are not listed in the 1801 Chortitza Colony census.
