State Archive of the Zaporizhzhе Region Zaporizhzhе, Ukraine Fond 316 Opis 3 Delo 91

Translated from Russian to German by Wilhelm Friesen, Museum für
russlanddeutsche Kulturgeschichte, Detmold, Germany;
Translated from German to English and edited by Glenn H Penner,
Mennonite Heritage Archives, Winnipeg, Canada (gpenner@uoguelph.ca)

The following is a 1926 membership list for the Chortitza/Rosenthal Mennonite Church, which was part of the larger [Chortitza Colony congregation](#). This list was copied from the KGB collection in the Zaporizhzhе archives by Max Shtatsky, senior research scientist of the Khortitsia National Reserve, and was obtained through Werner Toews of Winnipeg, Manitoba.

Some names, when translated from Cyrillic Russian, become difficult to recognize, and those names have been slightly modified. The original list contains two parts – Chortitza and Rosenthal, and each part is arranged by surname, according to the Cyrillic alphabet. These have been combined into one spreadsheet and re-alphabetized. Cases where names were unclear are highlighted in yellow.

Note that for married females and widows, the surname is that of the husband, while for unmarried females the surname is that of the father. The original list makes no distinction between the two.
