Translated by Tim Janzen with assistance from Natalia Prikhodko

Page 8 in this file contains a census of 28 landless and land poor people in Rosenort that was compiled on 11 August 1926. This census includes quite a few families that are not found in the other 1926 census for Rosenort for whatever reason. Only the names of the heads of households and the number of people in each household is given in this list. The year that some of these families moved to Rosenort is given in the census.
