**People's Commissariat for Internal Affairs of the Ukrainian SSR

Collection R-5sch, Inventory 5, File 116**

**Translated by Viktor Petkau and Tim Janzen;
GRanDMA Numbers provided by Tim Janzen**

Mennonites who currently live in villages and towns in the districts of Zaporozhye and Kherson Districts in the Nikolaev Province who wish to immigrate to America (actually Canada) on the basis of authorization issued by NARKOMINDEL (People's Commissariat for Foreign Affairs of the Ukrainian SSR) dated April 24 of this year, 1923, No. 21383.

The following is a list of 916 Mennonites who were from the Zaporozhye Province and the Nikolayev Province in South Russia who had permission to immigrate to America (actually Canada). The document was completed on 12 February 1923, but the ages of the people given in the list appear to be as of the summer or fall of 1922 in general. The people included in this list were primarily from the villages of Landskrone, Konteniusfeld, and Franzthal in the Molotschna Colony, but some were also from the city of Berdyansk as well as Michaelsburg, Fuerstenland Colony. A few people were from the villages of Gnadenthal, Gnadenfeld, Marienthal, and Paulsheim in the Molotschna Colony.

Many of the people in this list immigrated to Canada between 1923 and 1929 and a few immigrated to Paraguay.

Note: This document was initially translated by Viktor Petkau and made available on the chortitza.org website: <https://neu.chortitza.org/2025/10/liste-mennonitischer-fluechtlingen-die-eine-ausreisegenehmigung-fuer-amerika-hatten-1923/>. A portion of the document was not translated by Viktor Petkau but was translated by Tim Janzen, and Tim also made some corrections to the initial translation. Headings have been translated to English and GRanDMA numbers were added by Tim Janzen; Maria Heckel and the Mugur family were not added to the GRanDMA database since it is unclear if they had Mennonite ancestry.
