

# **Lists of Landless Molotschna Mennonites: 1877-1879**

**St. Petersburg State Archives, RGIA  
Fond 1291 Opis 66 Delo 28A, 28B, 28V**

**Extracted and translated by Tatiana Drozdova;  
edited and introduction by Glenn Penner  
([gpenner@uoguelph.ca](mailto:gpenner@uoguelph.ca))**

Although the large emigration of nearly one-third of Russia's Mennonite population significantly reduced the number of landless families in Russia, there was still a landless problem. The signatures below to landless petitions attest to this fact. These lists can be compared to the [1863 Molotschna petition](#). See also the introduction to that petition for more information on the landless problem for Mennonites in Russia.

There are four lists that follow, and a fifth list that combines the previous four in alphabetical order by surname.
