

# Molotschna Mennonite Settlement Villages

Compiled by Richard D. Thiessen

The following is a list of the villages in the Molotschna Mennonite Settlement with their corresponding Russian and Ukrainian names. The Russian names are taken from an article by Edward R. Brandt entitled "Post-Revolution Names of Molochna Villages," first published in *Mennonite Family History* Vol. X, No. 3 (July 1991): 100-101 and reproduced here by permission of the author. The alternative Russian names or spellings are taken from a publication entitled *How God Leads* by Gerhard I. Peters (1974). Ukrainian names are taken from pp. 234-236 of *Building on the Past: Mennonite Architecture, Landscape and Settlements in Russia/Ukraine* by Rudy P. Friesen (2004) and from Google Maps. Coordinates are taken from ACME Mapper.
