

Census of Neuenburg, Chortitza, South Russia: 30 April 1802

State Archives of Odesa Oblast (SAOR) Fund 6, Inventory 1, File 98

Extracted by Tim Janzen; GReDMA numbers and notes by Richard D. Thiessen

This site makes available a census taken on 30 April 1802 of the village of Neuenburg in the Chortitza Mennonite Settlement in South Russia. The census was compiled under the direction of Johan Martens who was mayor of the village at that time. The census lists the names and ages of 127 residents of Neuenburg as well as statistical data concerning their possessions. The original document was written in German and may be found on frames 181 to 191 of File #98 of the microfilm of selected files from Odessa Archives, Fund 6, Inventory 1.

This census appears to have been part of a series of censuses that were taken at the same time for all of the villages of the Chortitza Settlement. However, the only other village for which we currently have data from this 1802 census is the village of Neuendorf. The census for the village of Neuendorf has been previously published on pages 254 to 256 in Benjamin H. Unruh's book *Die niederländisch-niederdeutschen Hintergründe der mennonitischen Ostwanderungen im 16., 18. und 19. Jahrhundert*.
