During the period 1782-83, 11 families from [Sabatisch](#) and nearby [Velke Levare](#) moved to the Hutterite community in [Wischenka](#), Russia. This is described in chapter VII of the Hutterian Chronicle (pages 507- 541). An important genealogical aspect of this list is that children are listed in order of birth (sons first, then daughters). The numbers for individuals, as found in the [GRanDMA](#) genealogical database, are given in parentheses.
