

Schoenwiese, Chortitza Mennonite Settlement: 7 March 1835 Census

**State Archive of the Donetsk Region,
Donetsk, Ukraine
Fond 131 Opis 1 Delo 92**

**Wilhelm Friesen, Detmold, Germany and
Glenn Penner, Winnipeg, Manitoba (gpenner@uoguelph.ca)**

This census is made available through the efforts of Vladimir Redekop, who through his persistence was able to obtain this document from the archives in Donetsk, which at the time the document was obtained, 2024, was in Russian occupied territory.

The imperial Russian government conducted 10 censuses between 1719 and 1858. Each one was known as a Revision List. See the June 2024 issue of the Mennonite Historian (<https://www.mennonitehistorian.ca/50.3.MHSep24.pdf>) for more information on Mennonites in Russian revision lists.

First and last names have been standardized to reflect how they would have been recorded in German. My comments are in square brackets.
